THE ART OF CREATING SUCCESSFUL EVENTS

August 2015

Welcome!

As the food service provider for Lockwood Schools Sodexo is pleased to introduce our new flavor catering program for your school district. More than just a new catering menu, flavor catering is a complete program, designed to provide you with the consistent level of service you expect and deserve.

We welcome the opportunity to help you plan your event. Should your plans include items or selections not found in the guide, we will be happy to customize menus for you. At all times we strive to provide the highest quality dining experience possible. Whether you are planning an administrator meeting, staff training, or casual gathering, we will ensure that your event is a success by providing consistent, prompt service.

Thanks again for your expressed interest in our catering services. We look forward to the opportunity to demonstrate our quality.
